INSPIRE. DEVELOP. GROW.

Dr. Andrea Bowens-Jones

IDG Vision Consulting & Training
Certified Human Behavior Consultant
Certified John Maxwell Coach

A Ph.D. polymer chemist by training, Dr. Andrea left her job as a Procter & Gamble R&D Director to pursue her passion for personal growth. In 2015, she launched IDG Vision, a boutique training and development firm, whose mission is to inspire, develop and grow the vision inside all that they serve. Dr. Andrea is a disruptor of systems that inhibit personal growth. These failing systems can be rooted in our beliefs and impact our behavior. She has engaged global audiences through her messages of personal growth, faith, and accountability.
